

Solaira[®]

HIGH-OUTPUT SERIES

- INSTANT HEAT
- HIGH PERFORMANCE
- ECONOMICAL
- COMMERCIAL GRADE

The Innovative Solaira H.O.S. series quartz heaters are highly efficient and economical appliances for commercial, industrial and consumer situations requiring spot or area heating. They are environmentally friendly, odorless, safe and virtually maintenance free. These unique heaters only heat people and objects within the heat zone, not the air between. Consider how much you will save by reducing your area heating requirements by adding ultra efficient Solaira heaters where your staff are working or lining up. Ideal for factories, warehouses, farm buildings, shipping areas, breezy desk or common areas and commercial areas such as grocery stores and check out areas.

RELIABLE, EFFICIENT AND EFFECTIVE

- Instant heat, warm ambient glow
- Powerful 1.5 and 3.0 kW options heat up to 250 ft²
- Safe and odorless
- Instant and directional

CONVENIENT AND VERSATILE

- Adjustable steel wall mounting bracket
- Virtually maintenance free

WHY CHOOSE SOLAIRA™ QUARTZ HEATING OVER NATURAL GAS OR PROPANE HEATERS?

- Low operating cost of approximately 18-36¢/hr (based on electricity cost of 12¢/kW hour)
- Produces instant heat with no initial warm up time
- Wall mounting maximizes floor space with no storage of bulky propane gas bottles
- Provides reliable heat source that won't blow away or fail to start
- Silent and odorless operation with no products of combustion
